

COURSE INFORMATION FORM	
Faculty / Institute	Faculty of Economic and Administrative Sciences
Department	Political Science and International Relations
Course Code	SUI 339
Course title	Japanese Foreign Policy
Instructional Language	English
Programs that can take the course	Elective course for Department of Political Science and International Relations
Course Type	Seçmeli
Course Level	B.A.
ECTS Credit	6
Prerequisites	None
Course Content	This class investigates Japan's history, culture, development, domestic and foreign policy.
The Aim of the Course	Japonya's IR is investigated through various social, political, economic, ideational, institutional and cultural factors shaping its foreign policy and presented to the students in a historical context.
Course Outcomes	The class aims to allow students to apply all the knowledge and skills they have accumulated in four years to the case of Japan. Have a general knowledge on Japan and deepen their knowledge on a specific issue about Japan of their own choosing and present it to the class
