

COURSE INFORMATION FORM	
Faculty/ Institute	Faculty of Fine Arts and Architecture
Department	Department of Industrial Design
Course Code	EUT 221A
Course Title	Industrial Design Studio 1
Language	Turkish
Program	Industrial Design Undergraduate Program
Course Type	Must
Course Level	
Course ECTS	6
Prerequisites	EUT 122
Course Catalogue Description	In the context of Industrial Design Studio I, students are introduced with the industrial product design process. In this sense, students begin to develop product design solutions through defining certain problems and user groups as suited to the given briefs.
Course Objectives	Students are expected to comprehend the design processes that will be required in the professional practice through varying projects in the course while gaining new perspectives and insight in terms of industrial design.
Course Learning Outcomes	Students are required to understand the given project briefs, develop their design projects accordingly while improving their presentation skills via sketches and models.
Resources and References	There are no reference books.
Course Grading	Grade Points
Attendance	20
